Please refer to this office letters No.111/40-41 dated 11-10-1941 and 24-11-1941 enclosing A.R.P. schemes for the cities of Bangalore and Mysore respectively. In paragraphs 6 and 5 respectively of those letters the deputation of an officer with engineering experience for a short course of training in salvage and demolition work was suggested. The same officer might also be required to study structural defence, including methods of camouflage.

If this suggestion commends itself to Government I recommend that early steps be taken to depute an officer of the P.W.D. to Bombay for about a month and the Bombay Government requested to afford facilities for his training at the Salvage Depot, Bombay, and for the study of structural defence at the Engineering Section of A.R.P. Headquarters, Bombay.

Yours faithfully

Sir,

In connection with the A.R.P. measures to be undertaken in this State, it is considered necessary to depute an officer with engineering experience for a short course of training in salvage and demolition work at Bombay and it is proposed to depute Mr. B.S. Venkatesaiya, B.Sc.,B.E., Assistant Engineer of the Mysore Public Works Department for about a month for undergoing the necessary training. I am to state that this Government will be grateful if the Government of Bombay can be moved to afford the necessary facilities for the training of the above officer at the Salvage Depot, Bombay, and for the study of structural defence at the Engineering Section of the A.R.P. Headquarters, Bombay. It would greatly facilitate the organising of the A.R.P. measures in Bangalore, if the training could be arranged as early in January 1942 as possible.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Secretary to Government.
